CONGRATULATIONS

CLASS OF 2022

Dear Vinamr,

On behalf of President Amy Gutmann and the Trustees of the University of Pennsylvania, I am delighted to inform you of your admission to Penn's 266th class. You have been selected for study in the School of Engineering and Applied Science.

Your application reflected your extraordinary potential, and you are now poised to magnify that potential at Penn. Our eminent faculty, who are deeply committed to undergraduate education, stand ready to guide your own exploration across the curriculum. Our alumni, who feel an unshakable gratitude for all that Penn has contributed to their lives, hearts and minds, are eager to introduce you to Penn's rich, historic tradition of innovation and impact.

Benjamin Franklin, our founder, said, "The great aim and end of all learning is service to society." This statement powers our community with a sense of purpose, ensuring that we seek to engage, to create and connect, and to act. Having seen the uncommon quality of your achievement and character through your application, we recognize that your talents will contribute immeasurably to these efforts. In short, Penn will not be the same without you.

I join with your family and mentors in celebrating this

 PRINCETON UNIVERSITY

CONGRATULATIONS!

Dear Vinamr,

Congratulations! I am delighted to offer you admission to Princeton's Class of 2022. Earlier today we mailed you a detailed letter of admission and a folder of information. If you applied for financial aid, a message from the Financial Aid Office is included below. You will find more extensive information about your financial aid award in the mailing you will receive.

Included in this mailing is an invitation for you and your parents or guardians to participate in one of two Princeton Preview programs in April. These events will be held on campus to showcase the academic, residential and social aspects of Princeton.

We encourage you to explore the website we have created for admitted students: <https://admitted.princeton.edu>. To access this site, you will need the same username and password you used to view this online decision. The admitted students website will allow you to register online for one of the Princeton Preview programs.

Admission to Oxford International Program

Class XI or Grade Eleven

- Application to the Oxford International Program for admission into Oxford High School as a **Class XII or Grade Twelve** student
- Satisfactory performance on interview by Oxford Schools representatives: **On-site** or virtual interviews
- Preparation for studying abroad in the United States next year
