

## APPLICATION FOR SCHOOL BUS TRANSPORTATION

Bus transportation to and from school is provided for all students who live beyond reasonable walking distance. Regulations have been established to govern bus usage in order to avoid disruptions in transportation or school schedules, to prevent unnecessary damage or wear to the vehicles, and most importantly, **to protect student's health and safety**. Concerning the current Covid-19 climate, the Oxford Community Schools Transportation Department we will be adhering to Governor Whitmer's Return to School recommendations regarding bus capacity and disinfection.

- Students will be assigned to a specific seats and families will be seated together.
- Masks are required to be worn at all times on the bus.
- Hand sanitizer will be available at the front of the bus for students to use during loading and unloading.
- Six-foot social distancing will not be possible on the busses.

Parents and students are urged to review all of the regulations carefully. They can be found on the OCS website under the Transportation tab. Buses are operated for the convenience and protection of students. Students are expected to abide by all regulations if they wish to maintain bus riding privileges. Students with special needs are eligible for bus service according to their Individualized Education Program (IEP).

**Please fill out the information below for each of your OCS students for the 2020/2021 school year and return to [TransportationDepartment@oxfordschools.org](mailto:TransportationDepartment@oxfordschools.org) by August, 17, 2020.**
