Oxford Community Schools' 
Return to Learn Family Pledge 
2020-2021

The novel coronavirus, a worldwide pandemic, calls for us, now, more than ever to work together to ensure the health and safety of our community. We need your help, support, and encouragement as we continue to navigate these unprecedented times.

To ensure the health, safety, and wellness of our school community and to ensure all students have access to a high-quality education, we ask that you read the following expectations. You are our partners in education and your support of these protocols and expectations will help keep our entire community safe and engaged.

school and picking them up within 30 minutes of the end of the day

- **Teach your child(ren) proper hygiene practices and practice often.**
  - Washing hands vigorously for at least 20 seconds - maybe sing “Happy Birthday” two times while washing
  - Sneezing and coughing in elbow

- **Perform daily temperature checks** on your child(ren) to screen for a fever before leaving for school. Fever is defined by the CDC as a temperature over 100 °F or 38 °C.

- If your child(ren) has a fever, please keep them at home until they are fever free without medication. If needed, the district may screen your child for a fever.

- Check your child(ren) for signs of illness daily. Check for the following:
  - Fever or chills
  - Shortness of breath, rapid or difficulty breathing
  - Cough
  - Fatigue
  - Muscle or body ache
  - Headache
  - New loss of taste or smell
  - Sore throat
  - Congestion
  - Runny nose
  - Nausea or vomiting
  - Diarrhea
  - Flushed cheeks

  **If your child has any of these symptoms, please keep them home until they are symptom free.**

- Confirm that your child has not been in contact with someone who has either tested positive in the past 14 days or is waiting for test results. If your child has been in contact, please keep them at home.

- Check learning plans at the beginning of each week on Haiku. Plans will be posted on Sunday’s by 5 pm.

- Help your child create a daily schedule in order to be successful in achieving the week’s learning plan.

- Complete daily assignments and turn in assignments on time.

- Contact teacher(s) for help if needed.

- Treat district-issued devices with care.
• Promptly pick your child(ren) up or arrange for pick up from school if signs of symptoms of illness are present.

• Inform your child(ren)’s school if they test positive. If they test positive, you will be asked to follow Oakland County Health Department guidelines which may include quarantining until it is safe to return.
